We Cordially Invite You To Sell Your Tobacco Over Our Breaks

We sold last week over half million pounds in five days and have sold since January 1st over a million pounds. As usual we topped the market on highest price, \$23.25 and the best individual average on entire crop—10,000 pounds at \$15.50. With seven active, competitive buyers, representing the largest factories in this and foreign countries, makes Danville as good a market as any in the burley district. With the best lighted house in Kentucky, with a tobacco auctioneer with no superior on any break, coupled with experienced tobacco men as floor managers to show you how to place your tobacco to the best advantage, tells the story why we can serve your interest just a little better than the other fellow. Don't forget the name.

Attention Poultry Raisers

Sick Fowls Don't Pay, Droopy Hens Won't Lay.

WHY LOSE YOUR FOWLS? Why take chances against disease? A few drops of Bourbon Poultry Cure, in the water keeps fowls strong, vigorous and thrifty, protects them against disease and puts them in prime condition for egg-laying. It is the only remedy that can be depended upon to cure roup, Cholera and Gapes simply because it destroys the germs which cause these diseases. One 50 cent bottle makes 15 gallons of medicine. Every Poultry raiser should keep a bottle of this medicine on hand.

OUR BOOKLET ON "DISEASE OF FOWLS CAUSE, SYMPTOMS AND TREATMENT," IS FREE. ASK YOUR DRUGGIST FOR IT.

Please send me by express two quarts of Bourbon Poultry Cure. No one who is an up-to-date poultry raiser can afford to be without this valuable medicine. It does all you claim and more. I take pleasure in recommending it as the best poultry remedy I ever saw. It is working like magic in this county. My friends who are using it say they never saw anything like it. People call me over the phone and say, "My fowls, what must I do?" I tell them I use Bourbon Poultry Cure, and in a few days they call me and say their birds are sound and well. I have a great many B. P. Rock chickens and 125 of the finest M. B. turkeys in the State. I use this remedy and never have a sick fowl. It gives them strength and vitality and makes their plumage bright and glossy. See my exhibit at the next state fair.—Mrs. J. D. Cox, Lawrenceburg, Ky.

NOTE.—Mrs. Cox was awarded first prize to the best gobbler at Kentucky State Fair and first prize for best hen at Blue Grass Poultry Show.
Every year I have been losing from 75 to 100 chickens from gapes, and I had about concluded not to try raising any more. I got a bottle of Bourbon Poultry Cure, and used it according to directions, only a little more freely, as mine was a case of years of infection. Now I have 200 chicks, all thrifty and growing nicely, and not a "gapey" one among them, in spite of the fact that they have free access to a big wood yard, which is a breeding place for the pests.—Mrs. Jennie B. Stevens, Lynchburg, Va.

We have hundreds of testimonials like these, in our circulars and booklets. The remedy does the work, or these prominent poultry raisers wouldn't say so. They wouldn't buy it and then lie about it if it failed. Try and see for yourself what it will do for your fowls.
